

## **The Sunset Review of the Nueces River Authority**

The mission and performance of the Nueces River Authority are under review by the Legislature as required under the Texas Sunset Act. The Act provides that the Sunset Commission, composed of legislators and public members, periodically evaluate a state agency to determine if it is still needed and to explore ways to ensure that its funds are well spent. Unlike many state agencies undergoing Sunset review, the Nueces River Authority is not subject to abolishment under the Sunset Act. However, based on the recommendations of the Sunset Commission, the Texas Legislature will ultimately decide whether changes are needed to improve its performance.

The Sunset review involves three steps. First, Sunset Commission staff will evaluate the Nueces River Authority and issue a report in April 2018 recommending solutions to problems found. A month or so later, the Sunset Commission will meet to hear public testimony on the Authority and the recommendations of the Sunset staff. Based on public input and the Sunset staff report, the Sunset Commission will adopt recommendations for the full Legislature to consider when it convenes in January 2019. Please refer to the Sunset Commission website or call the office for updated information on specific dates for these meetings.

Through the Sunset review, every Texan has the opportunity to suggest ways in which the mission and operations of Nueces River Authority can be strengthened. If you would like to share your ideas about the Authority, please send an email to the address below, use the comment form on the Sunset Commission website, or contact Danielle Nasr of the Sunset staff. Suggestions are preferred by **December 8, 2017**, so they can be fully considered by the Commission staff.
